Certificate of Conformity

Product name: **H.Formula Cap**

Manufacturer: E.M.B. YARDEN AGRICULTURAL FARM LTD. 1, Haoman
Beit Shemesh – 99061 - ISRAEL

To Whom It May Concern,

I hereby certify that the above mentioned product is manufactured at the premises of the manufacturer, approved and certified according to the standards of the Israeli Ministry of Health and by the HACCP, under GMP certification, which also is valid according to the European standards. According to my strict supervision on site, I also certify that the product is free from hormones, antibiotics, active pharmaceutical ingredients, or any chemical ingredients that may cause harm to the body or behavior. The product does not cause addiction or cell damage and is free from narcotic products, anabolic steroids or any chemical ingredient that is mentally affecting or has any therapeutic effect.

According to the attached analyses, the product is also free from pesticide residues, heavy metals, TSE/BSE and is free from pathogens or insect residues. In addition, the product has undergone a risk assessment survey and does not have any side effect when used according to the manufacturer's instructions printed on the label.
